

CEO Leadership Forum

First CEO Business Retreat in Romania

21 - 23 April 2016
Puflene Resort

WHY WOULD I PARTICIPATE?

CEO Leadership Forum is an extremely selective event. This year is the first meeting dedicated to the General Directors of the most important companies in Romania, which we intend to connect in a casual, yet select manner. The event aims to bring together companies that are collectively cumulating 1 billion euros.

HOW CAN I PARTICIPATE?

Participation is allowed only by an invitation which is exclusively sent by one of the organizers or partner institutions. More than that, the invitations are non-transferable. The main criteria for participants' selection are the position of the company (CEO ONLY), the relevance and the performance of the business or the innovative component on the local market.
