600% HARDER
CERTIFIED
SCRATCH RESISTANCE

Crystalusion® Liquid Glass Protection is scratch tested to ASTM C1624-05 standards using a .2mm Rockwell Diamond tip and is certified to withstand up to 71 Newtons before showing visible signs of scratching – that's tougher than tempered glass and more than 600% more resistant than a traditional screen protector!

CERTIFIED
ANTIBACTERIAL LAYER

Crystalusion® Liquid Glass Protection is certified as Antimicrobial helping to keep your device clean and free from harmful bacteria: Independent ASTM E2180 antimicrobial tests confirm up to a 99.9% reduction in levels of organisms when tested with Salmonella, Staph. Aureus & E. coli
