

Ugly Sweater Party

MAKE SOME MEMORIES!

It's fun o'clock and we have a party to prove it! There's a new tradition in town and it's getting in-style to be out of style. Come celebrate with us the art of finding the funniest and tackiest sweater around. We'll get together at the party, in a light-hearted ambiance, wearing fancy ugly sweaters that look like they time-traveled from the 80's. Create memories at our fun photobooth, enter the raffle, vote for the ugliest sweater there is and the winner takes home all the bragging rights. May the happiest sweater win!
