

Dr. Raymond Davies, B.Sc. (Hons), Ph.D., D.I.C.

Dr. Davies has over three decades of top level international supply chain experience within a full range of sectors including aero/space, construction, defence, energy, electronics/software, health/care and mining. Dr. Davies's particular skill is in the planning and strategic leadership of creating new market opportunities resulting from geopolitical opportunity. He returned home to the UK following the Brexit referendum ready for Britain's return as a sovereign trading nation.

He sits on the Coalition for the Development of Romania Entrepreneurship Task Force, is the UK Board Member on the British American Business Council - Pacific Northwest and active in British politics with a focus on SME development and international trade.
