WHO WE ARE

With an experience of over 21 years in the industry, INAQ Consulting is the go-to **consultant, trainer and auditor for food and non-food suppliers**. For the past 9 years, INAQ is **an accredited partner of IFS – International Featured Standards**, the body that offers more than **26,000 certificates per year in 90 countries on 4 continents**.

We specialise in training and consultancy for IFS Food, IFS HPC, IFS Logistics, IFS Broker, IFS PACsecure standards and certifications but also in other ISO standards.

Our wide network of consultants and auditors experienced in auditing suppliers in **15 European countries** and training **over 5,000 industry leaders** can offer you:

1. Second party audits Program (announced & unannounced audits)
2. Compliance audits at suppliers sites (quality, food safety, environment, health & safety, emergency situations European and local laws)
3. Food and nonfood suppliers' audits (quality, environment, health & safety, emergency situations)
4. Trainings for different international standards for their suppliers if needed

International clients with suppliers in Romania or in CEE countries and in Europe can also benefit from:

1. Quality audits
2. Food safety audits
3. Social audits
4. Compliance audits with Romanian, CEE countries laws or European laws

WHY CHOOSE US?

Our network of auditors include people from across Europe, who can provide the **audit in your local language**.

We work with you to clarify the audit criteria, evaluate suppliers and build trust in the **safety of your food and non-food products, from production to delivery**.

Big retail companies, such as **Auchan, Carrefour, Kaufland, Metro, Rewe** (plus others) have trusted us with their quality & social audits and we continue to work together with them for the past 15 years for auditing their food and non- food suppliers.
