WHO WE ARE

We are your Long-Term Consultant !

FABRICA DE CONSULTANTĂ is a Romanian commercial company with full private capital, specialized in developing projects for accessing non-refundable financing from European, governmental and other sources. Fabrica de Consultanță has its headquarters in Sibiu County and a recently opened office in Bucharest.

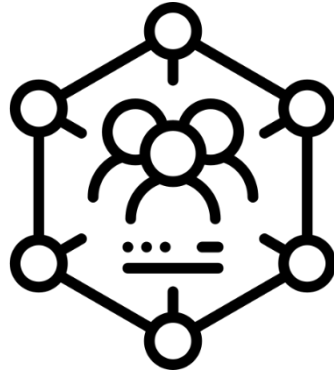

Our values are: orientation towards the needs of the beneficiaries (amiability, promptness, professionalism, confidentiality), compliance with commitments, quality of services and assistance throughout the collaboration period.

We strongly believe that **the success of our customers is, in fact, the true measure of our success**. That's why we do what we promise to do and we do it very well!

We are a member of **AMCOR** (Association of Management Consultants in Romania), **AMCHAM** (American Chamber of Commerce in Romania) and **ACRAFE** (Consultants Association in Romania for Accessing European Funds).

We have implemented and use the **Anti-Bribery Management System** in accordance with the **ISO 37001: 2016** standard.

TEAM FDC

Our team is formed of **50 consultants and specialists** in accessing non-refundable funds, employees and collaborators with vast experience in business management, business development, project development and implementation.

We are competitive, determined and multi-specialized to be able to turn any business idea into a viable business. Our success today is measured in almost 830 winning projects, hundreds of satisfied partners and many development solutions.

We are the team you can count on: professionals who guarantee your success and reliable people who are always by your side.

WHY CHOOSE OUR SERVICES?

Because we are the shortest way from the project to success!

For over **17 years**, we have been constantly training to find winning solutions for each individual project. Diversity, overcoming all challenges, constant improvement, expertise, dedication and perseverance today define our professional maturity and differentiate us on the Romanian market, our notoriety having the strongest foundation: real care towards the needs of our customers.

We have chosen to make this not only the company's core value, but also the guiding principle of all our actions. Because we know that **trust is the main bond of successful collaborations** and there is only one way to earn it: **real care for your needs!**

Our Promise

We do what we promise to do and we do it exceptionally well!

Our Mission

Contribute to business development.

Our vision

A prosperous society based on successful projects and businesses.
