About the Event

British Community Day is a charity event, with proceeds going to the Salvation Army, to celebrate the British Expat Community within Romania with the aim of bringing everyone together.

British Community Day offers a fun day out for families. There will be numerous activities for children, including arts & crafts, rides, facepainting and photobooth stands. Businesses with British themes will have stands with goods available. Local businesses will perform British-themed dances and songs on the main stage, and there will be free football masterclasses for children. Food trucks with hot and cold refreshments will be available throughout the event.

About Salvation Army

The Salvation Army is engaged in various projects that include social, educational, psycho-social, and spiritual counseling.

They are present in several cities across Romania, including Bucharest, Ploiești, Craiova, Iași, Bacău, and Buzău, through Day and Counselling Centers, Mobile Teams, social workers, educators, and medical personnel.

Their primary objectives include preventing school dropouts by promoting education and supporting the educational process, combating poverty and social integration through social and medical aid projects, and fighting against human trafficking by promoting programs that defend fundamental human rights, raise awareness, and prevent the dangers of this scourge. They also respond to emergencies and disasters through their mobile teams and volunteers.
