ENERGY EXPO® 2026 OPENING CONFERENCE

The Opening Conference is accessible exclusively to registered participants and those with eligible ENERGY EXPO package inclusions. Registration opens on 7 SEPTEMBER 2026 at www.energyexpo.ro.

Moderated By

Teodora Tompea
Journalist, Antena 1

08:30 – 9:00 | Reception & Participant Registration

09:00 – 10:15 | PANEL 1 — Romania, a Pillar of European Energy Security (EN/RO)

Panel Overview: In the context of geopolitical instability and the accelerated transformation of the European energy market, Romania has the opportunity to become a strategic player in the region. The panel explores the role of natural gas, nuclear, hydro, wind, solar, hydrogen and biofuels, as well as energy infrastructure development, in strengthening energy security and consolidating Romania's position in Central and South-Eastern Europe.
